Books – From the library homepage, search the library catalog using keywords. Limit by Print Books or Article, Chapter depending on your need. On the results screen note the STATUS, LOCATION and CALL NUMBER of the material. You will need the call number to find the material, so be sure to write it down or take a photo. Check out print books for 3 weeks with your student ID.

If not held in our library, select Libraries Worldwide to expand search results and request via ILL (button will display when on campus).

From off campus, you can use the Borrow from other Libraries link on the library homepage. Library staff will contact you when the item is received.

Note: Please allow 1-2 weeks to obtain the item(s). Obtaining the item is not guaranteed. ILL cannot be used to request media.
